ACOUSTICAL WALL & CEILING PANELS

## COLORS

### PAINTED WALL & CEILING PANELS

Livello painted acoustical wall and ceiling panels are the ideal solution when you need sound absorbing panels with an understated, more discreet finish to traditional textured fabric. The Colors permeable paint applied to the smooth fiberglass veil is acoustically transparent and available in any Pantone color.

Colors painted wall & ceiling panels provide excellent acoustical performance. Available in a variety of sizes, thicknesses and shapes, Colors Panels allow designers the flexibility to blend in or stand out when adding acoustic treatments to any space.
